PUBLISHERS NOTE

The information in this Directory is gathered by an actual canvass and is compiled in a way to insure maximum accuracy.

The publishers cannot and do not guarantee the correctness of all information furnished them nor the complete absence of errors or omissions, hence no responsibility for same can be or is assumed.

The publishers earnestly request the bringing to their attention of any inaccuracy so that it may be corrected in the next edition of the directory.

Mill Directory Company, Publishers

INTRODUCTION AND GENERAL INDEX

HILL DIRECTORY COMPANY, publishers of Southeastern Directories (publishers of the Rockingham Directory since 1957), present to subscribers and the general public, this, the 1969 edition of the Rockingham and Hamlet City Directory, which also includes Cordova and Glenwood. (In all, the Hill Directory Company and its affiliated companies publish more than 1,400 city, county, state and national Directories).

Confidence in the growth of Rockingham and Hamlet's industry, population and wealth, and in the advancement of their civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Rockingham and Hamlet to the world.

The enviable position occupied by HILL'S Directories in the estimation of the public, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty cooperation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Rockingham and Hamlet Directory will fulfill its mission as a source of authentic information pertaining to the communities.

Five Major Departments

The five major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper. In the first section of this department, grouped under appropriate headings, are included the advertisements and business cards of firms and individuals desiring to make a complete presentation of their products or services. Following this is addresses of all business and professional concerns of the communities, arranged in alphabetical order under appropriate headings—a catalog of all the activities of the communities. The Buyers' Guide represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. In busy and diversified communities like Rockingham and Hamlet, the necessity of having this kind of information up-to-date and always immediately available, is obvious. The Directory is the common intermediary between buyer and seller, and plays an important role in the daily activities of the commercial, industrial and professional world.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns, is the second major department, printed on white paper. This is the only record in existence that aims to show the name, marital status, occupation and address of each adult resident of Rockingham and Hamlet, and the name, official personnel, nature and address of each firm and corporation in the communities.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE is the third major department, printed on green paper. In this section the numbered streets are arranged in numerical order, followed by the named streets in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of the householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes, the listing of telephone numbers and Zip Code numbers.

IV. THE NUMERICAL TELEPHONE DIRECTORY is the fourth major department, printed on blue paper.

V. THE RURAL ROUTES DIRECTORY is the fifth major department, printed on white paper.

Community Publicity

The Directory reflects the achievements and ambitions of the communities, depicting in unbiased terms what they have to offer as a place of residence, as a business location, as a manufacturing site and as an educational center. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Rockingham, Hamlet and vicinity.

The Rockingham and Hamlet Out-of-Town City Directory Library

Through the courtesy of the publishers of the Rockingham and Hamlet City Directory, Directory libraries are maintained in the offices of the Rockingham Chamber of Commerce and the Hamlet Chamber of Commerce, for free reference by the general public.

The publishers appreciatively acknowledge the recognition by those progressive business and professional men who have demonstrated their confidence in the City Directory as an advertising medium, with assurance that it will bring a commensurate return.

HILL DIRECTORY COMPANY,
Publishers.

The water department has a maximum capacity of 2½ million gallons per day and the sewage capacity is 3 million gallons per day. The number of water meters—2,653, light meters 10,766, gas meters 1,075.

GENERAL REVIEW

The County of Richmond was cut out of Anson County and formed in November 10, 1779. It was named in honor of Charles Lennox, the Duke of Richmond. There was no town in the new county and the first court was held 3½ miles west of the present town of Rockingham. Then on June 2, 1784, the North Carolina Assembly in session at Hillsboro passed an act establishing the town of Rockingham. The new town was named after the Marquess of Rockingham, Charles Watson-Wentworth. Marquess of Rockingham was a recognized head of the liberal wing of the Whig Party in 1764. In late 1765 the Marquess became Prime Minister of England. It was because of his sympathies with colonies that the town was named Rockingham.

Rockingham, the County Seat of Richmond County, is located on the edge of the Sandhills region of the state. It is 75 miles east of Charlotte on U. S. Highway #74, 13 miles north of the South Carolina border and is 100 miles south of the state capital of Raleigh on U. S. Highway #1. Since the beginning of our nation Rockingham and Richmond County have been leaders in the textile industry. In the past few years other industries have grown with the textiles: paper products, hosiery mills, furniture plants, food processing plants and foundries. Agriculture also plays a large part in the economy of Richmond County and Rockingham. There are 105,000 acres under cultivation with 1,542 farm families, with a farm income in excess of \$13,000,000 per year. The major products on the farms in Richmond County today: turkeys, broiler chickens, egg production, beef cattle, hogs. Crops grown: corn, cotton, tobacco, watermelon

and hay crops for livestock feed. The Sandhill area is a prime peach producing area. Last year over 360,000 bushels were produced and shipped fresh.

Recreational facilities in Rockingham and Richmond County are excellent. Rockingham has two parks with swimming pools and tennis courts. The town of Hamlet, 6 miles distance, has two parks with a large public lake. The Richmond County Country Club has an excellent 18 hole golf course of 6,200 yards par 72. Richmond County has excellent hunting and fishing facilities with McKinney National Fish Hatchery of 514 acres, and the North Carolina Sandhill Wildlife Management Area of 57,000 acres with 10 fishing lakes. Deer, dove and quail hunts are permitted throughout the hunting season. The National Bird Dog Field trails are held at the Sandhill Wildlife Management Area from October 4 through April 1st. In 1965 the North Carolina Motor Speedway was completed. This speedway has seating for 50,000 people with a 1 mile paved track. There are two NASCAR races each year, one held in the Spring and the other in the Fall. Rockingham is located only 30 miles south of the famous Winter resort of Pinehurst and Southern Pines, North Carolina with many beautiful golf courses.

Rockingham has always had the distinction of being a retail trading center. The retail area is approximately 75 miles in diameter and the population in the trading area is 100,000. Retail sales in Richmond County in 1968 were \$60,507,796. The estimated retail sales in Rockingham today are in excess of \$30,000,000. Rockingham has a sales activity index of 393, a quality index of 189.

The Greater Rockingham area has 22 churches within a 5 mile radius of the center of Rockingham, encompassing 10 denominations. There are 17 civic clubs and organizations active in the Greater Rockingham area. These churches and civic clubs play an active part in the civic development of the community.

The future is indeed bright for the development of Rockingham and Richmond County. Among the programs and projects scheduled in the next few years are: (1) the westside Urban Redevelopment, this program encompasses 74 acres just off the main business district of Rockingham. By 1971 it is envisioned that the 74 acres will be filled with new business and service establishments and light industries. More than doubling the size of the downtown shopping area. (2) The formation by the Richmond County of an Industrial Development Commission and the hiring of a Director of this commission. The Greater Rockingham area has always been an industrial area and the fine calibre of workers found in this region as well as excellent sites should bring about great expansion of our present industries, and an influx of new industries within the next few years. (3) The Richmond Technical Institute Building was completed in 1967. Already the programs put on by this Technical Institute have been of great value to the area. (4) Three units of public housing have already been completed and applications have been made for more housing units. (5) The relocation and 4 laneing of U. S. Highway #220 should have a tremendous impact on this area. Plans are also in the making to relocate and expand U. S. 74.

Rockingham welcomes industry, business and new residents. The Rockingham Chamber of Commerce and Merchants Association will be happy to supply anyone with information concerning Rockingham and Richmond County. Write Rockingham Chamber of Commerce & Merchants Association, Inc., P. O. Box 86, Rockingham, North Carolina.

Features and Departments of a City Directory

Your new, improved City Directory is the most complete and comprehensive catalog ever published of the inhabitants, business concerns and institutions of your city. It is much more than just an alphabetical list of names and addresses.

Your City Directory Contains:

- 1** An *Alphabetical* list of names and addresses of every resident, business concern and institution, plus wife's name and if a widow the deceased husband's initial, and the occupations of all. Principal officers or owners and a description of businesses are included as well.
- 2** A *Householders' Directory* including a Street and Avenue Guide. This section lists every street and where intersecting streets appear. It lists numerically every location on each street, naming the householder or business at each number and whether the person is a homeowner or renter and if he has a telephone. Similar information is provided on office and public buildings and their occupants.
- 3** A *Classified Business Directory*—listing every business, classified as to type, and showing names and addresses. It also lists every profession, club, society and association, hospital and cemetery, labor organization, library, park and playground and school.
- 4** A “*Yellow Section*” or *Buyers' Guide*, where the advertiser may explain in greater detail the services or products he has to offer.
- 5** A *Statistical and Historical Story* of your city plus miscellaneous other information.

When Your Design is For TOTAL ELECTRIC...

It's Easy To Be "SCOTCH"!

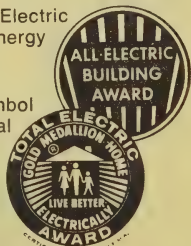

The Scotch are noted for their thrifty ways with a dollar—so is the all-electric concept of building.

For business, industry, schools, and churches, the All-Electric Award means that flameless electricity is the only energy source used in the building. It is used for heating, cooling, lighting, and all other power needs.

In homes and apartments, the Gold Medallion is a symbol of the luxurious comfort, convenience, and practical economy of modern electric living.

If you would like to be "Scotch" with your dollars and receive more value, just call your nearest CP&L office for more information.

CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

PLEASE!

**Do Not Lend Your
CITY DIRECTORY**

IT COSTS YOU MONEY—Every Time it Is Loaned

The practice of lending your City Directory, in a great measure, is responsible for the increasing cost of Directory Service.

The reason is:—

There is a definite cost involved in the making of the DIRECTORY of Your City.

THIS COST MUST BE ABSORBED BY THE SUBSCRIBERS—BE THEY ONE—OR BE THEY 1000.

If there were but ONE SUBSCRIBER to the CITY DIRECTORY—THE ONE SUBSCRIBER would of necessity have to absorb THE WHOLE COST.

If there were 100 SUBSCRIBERS—each one would have to absorb 1/100 PART OF THE WHOLE COST.

If there were 1000 SUBSCRIBERS—each one would have to absorb 1/1000 PART OF THE WHOLE COST.

From which it is obvious that the GREATER the number of subscribers—the LESSER the cost to each.

And

It is also obvious that the LESSER the number of subscribers—the GREATER the cost to each.

Every time you loan your City Directory the LESS NECESSITY THERE IS FOR THE BORROWER TO SUBSCRIBE FOR THE SERVICE.

MORE BORROWERS result in FEWER SUBSCRIBERS which means INCREASED COST.

Clerks!

Do your employers
furnish you with the
latest edition of the
City Directory

?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of the publisher of this City Directory printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take advance payment for either advertising or subscriptions.

HELPING TO BUILD

A Finer Carolina

CAROLINA POWER & LIGHT COMPANY

HILL'S ROCKINGHAM and HAMLET

STREET and AVENUE GUIDE

INCLUDING

TELEPHONE NUMBERS, HOME OWNER SYMBOLS
and ZIP CODES

1969

Including Cordova and Glenwood

In the following list the numbered streets are arranged in numerical order followed by the named streets in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or houseowner or tenant. In the business blocks containing offices the occupants are shown by room numbers where practicable, in apartment homes the number denotes the number of the apartment. In all streets both sides of the street are included in one list. The profession or business of individuals or firms is given only at their respective place of business; to find occupation of others refer to Alphabetical List of Names.

The symbol (o) following a householder's name indicates that we have received information during the canvass that the house is owned by some member of the family, but as the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes, no responsibility for errors can be or is assumed, nor can the publisher furnish further information than that shown.

Telephone numbers, as supplied to us on our canvass are shown opposite names.

Zip Code numbers are shown immediately following each street description. If a street runs through more than one zone, the new Zip Code number is shown immediately preceding the lowest street number in the new zone.

The numerals that appear at right edge of columns, ahead of street descriptions and some street intersections, are merely for the guidance of the publishers, and have no other significance.

This section includes some listings reading "No Return." In each case the Publishers tried diligently, by various means, to obtain the information for the occupants but were unsuccessful. First, two personal calls were made by an enumerator; next, a double postal card was mailed and the telephone used when possible.
